## Section II: CRITERION WISE ANALYSIS

Observations (Strengths and/or Weaknesses) on each qualitative metrics of the key Indicator under the respective criterion (This will be a qualitative analysis of descriptive nature aimed at critical analysis presenting strength and weakness of HEI under each criteria)

Criterion1 - Curricular Aspects (Key Indicator and Qualitative Metrics(QIM) in Criterion1)	
1.1	Curricular Planning and Implementation
1.1.1 QIM	<b>The Institution ensures effective curriculum delivery through a well planned and documented process</b>
1.1.2 QIM	<b>The institution adheres to the academic calendar including for the conduct of CIE</b>
1.2	Academic Flexibility
1.3	Curriculum Enrichment
1.3.1 QIM	<b>Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum</b>
1.4	Feedback System

### Qualitative analysis of Criterion 1

Moran Mahila Mahavidyalaya is an undergraduate college affiliated to the Dibrugarh University and conducts both Pass and Honours course. College imparts higher education to the socially underprivileged and financially weaker students.

At the beginning of every academic session the college publishes a prospectus including all necessary information about the college. It includes information about courses offered by the college as well as student strength in every department, fee structure, faculty members, various cells etc.

College is conducting UG courses like English, Assamese , Economics, History, Political Science, Education, Sociology and Home Science. The College follows the curriculum developed and designed by the affiliating University i.e. Dibrugarh University,

Academic flexibility is very limited since it is as an affiliated college.

The college does not offer value added or vocational course thereby limiting the opportunity for employment. Student feedback has been collected, analysed and communicated to the appropriate authorities. The teachers are also informed about the same.

College makes use of the feedback received for overall quality improvement.

The teachers adopt conventional lecture method to deliver the courses to the students. Besides this, seminars, group discussions, viva, educational tours, field studies, etc. are conducted for effective curriculum delivery. The college arranges symposium and invites experts from various fields to talk on academic and non academic aspects.

A compulsory paper on Environmental Studies is being taught at undergraduate level as a part of the syllabus. It gives environmental knowledge, awareness, attitude, skills and provides opportunity to the students to

involve actively in environmental issues.

Political science, Sociology and Education majors have papers on women. It examines the status of women, explores the history, experiences and contributions of women to the society. The department of English has texts and poems that can be interpreted from feminist perspective. The English and Assamese literature texts arouse social, moral, aesthetic sense of the pupils.

2.6.2 QIM	<b>Attainment of programme outcomes and course outcomes are evaluated by the institution.</b>
2.7	Student Satisfaction Survey

#### Qualitative analysis of Criterion 2

The admission process of the college is transparent.

The College gives admission to a large number of backward class students as that is the need of the local area. The selection process for different courses are by and large based on merit, i.e; higher secondary marks secured by the students.

The institution follows the broad framework of the curriculum for B.A. (Honours & pass) courses under Dibrugarh University.

The college has adopted continuous monitoring and evaluation mechanism through sessional examination. The evaluated answer scripts of the sessional examinations are shown to the students so that they become aware of their mistakes. Group discussions, home assignments, seminars are held as a part of internal assessment. There is a provision for re-evaluation of answer scripts of final examination under the Dibrugarh University examinations rules.

Slow learners are identified through their performance in sessional examinations and classroom interaction and they are given remedial coaching.

The institution adopts various student centric methods to enhance the student involvement as a part of participative learning. It employs problem solving methodologies such as group discussion, class room interaction, seminars, home assignments, field study etc. In subjects like Travel & Tourism Management,

Education, Home Science, Assamese, History and others inclusion of field work facilitates the teaching learning process.

The college is yet to adopt ICT in teaching- learning. The college has established three smart class rooms. The academic bloc with smart class rooms is waiting to be completed due to paucity of funds. All the departments have been provided with a laptop each.

The college organized some interdisciplinary lectures and talks with eminent persons. The college arranges symposium and invites experts from various fields to talk on academic and non academic aspects.

It being a women's educational institution, this college benefits from integration of issues relevant to Gender Sensitization, Environmental Sustainability, Human Values and Professional Ethics into the curriculum which helps them to foster human values and helping them in the process of becoming good citizens. The mentor programme started by the college needs to be improved.

#### Qualitative analysis of Criterion 4

The college campus is spread over an area of 3.306 acres of land. It is functioning with the grants and aids from UGC, Government of Assam, MP and MLA's local area development fund, local industry, donor contribution and to some extent from its own resources. The classrooms of the college are spacious with facilities like electricity, white and black boards. The seating arrangement for students needs to be modernised. Each department in the college needs to have a separate staff room. The entire college campus including classrooms, Library and College Hostel, are under the CCTV surveillance. The college has Wi-Fi facility for virtual connectivity.

The Central Library has open access. It has a collection of more than 15,000 books awaiting automation. SOUL software for libraries has been initiated as a first step towards digitisation. The library has, photocopying facility and a large reading room for both teachers and students. The books on the shelves need to be arranged scientifically for easy access by the readers.

The institution has one Computer Laboratory with eight computers. This facility has to be shared by over 200 students for whom a 100 marks paper in basic Computer Science is compulsory.

The Girls' Hostel on campus houses 150 students. The four-seater rooms available to the students are spacious. Students are satisfied with the kitchen, dining room and entertainment room.

The students have a Girls' Common Room with adequate toilet facilities.

The students have performed reasonably well in inter collegiate sports activities. The facilities in the existing gymnasium need to be improved. The young players will benefit from nutritious food made available to them. The playground needs to be improved with well- defined courts for different outdoor sports. A Canteen, a Guest House, alumni room and an IQAC room were visited by the NAAC peer team. A generator set was available for dealing with emergency situation.

The college encourages cultural activities and has several prize-winning students in these activities. A large indoor stadium funded by the UGC is under construction.
